Additional information about the Faculty

Since its establishment in 1958, Faculty of Social Sciences of the University of Tehran has been able to attest to its position as the most renowned higher education entity in the field of social and communication science in Iran and in conducting immense qualitative as well as quantitative research. Faculty's missions include:

- ❑ Producing knowledge and building theories in various fields of the Social Sciences
- ❑ Training and educating students and academic leaders
- ❑ Conducting studies and researches on social issues, conditions, and structures, for the purpose of sharing the results with responsible and relevant state and civil society organizations, research institutions, as well as interested individuals through joint collaborations, journals, seminars and conferences
- ❑ Internationalization is a recent strategy by the Faculty to improve its academic activities to align itself on par with its counterparts around the world.

IF THE INTELLECT KNEW HOW BLESSED HEARTS REST
IN THEIR CURLS, O! IT WOULD BE FOOLISH FOR THE
UNDERSTANDING OF OUR GANG.

Hafez
